AKHIL BASNOTRA

Web Developer

✉ akhilbasnotra24@gmail.com   📞 9797532579   🌐 *https://akhilbasnotra.github.io/*

I'm a Civil Engineer turned Web Developer building web applications. Passionate to learn and work on web technologies and seeking corporate experience to apply the skills learnt through self-education and improvise the skills into expertise goals.

Experience

Although I have no professional experience in the industry, I have constantly been learning and practising web development through various online courses and personal projects. I have a solid understanding of HTML, CSS, JavaScript and React, and I have created several projects that demonstrate my skills.

Education

High School   *2015*

Chandigarh University   *2016-2020*

- Bachelor of Engineering

Technical Skills

Programming Paradigms: Object-Oriented Programming, Functional Programming
